## **Ansgar Carbow**

Head of educational formats and media, DGQ Weiterbildung GmbH, Frankfurt, Germany

Mr Ansgar Carbow has nearly 20 years of experience in developing and managing education, training and – since 2016 – online learning courses and programmes.

He went through various positions within the DGQ, as product manager, as event manager and is a part of the management of the DGQ Weiterbildung GmbH.

He is currently responsible for strategies, approaches and products in the digital learning environment of the DGQ.

As a trained bank officer, he studied geography, especially economical geography with the focus on tourism in underdeveloped countries.

He started his professional career as conference manager at a german based prestigious education service provider before he joined DGQ in 2002.
