

Biographical Note

Fabian Dehanne

Fabian Dehanne

Is a nurse specialized in tropical medicine. After a national and international field experience, he then completed a master's degree in public health, management of healthcare institutions, and a master's degree in hospital strategy.

He is currently working on a doctoral thesis in health economics (ULB-UCL) about hospital performance.

He also works in the hospital sector as an advisor to the CEO of a hospital group (CHU UCL Namur).
