

Biographical Note

Maria Manatos

Maria Manatos

Is an invited assistant professor and postdoctoral researcher at the Department of Social, Political and Territorial Sciences in the University of Aveiro and at the Centre for Research in Higher Education Policies (CIPES), in Portugal.

She holds a doctoral degree in Management from the ISEG Lisbon School of Economics and Management, University of Lisbon. Her doctoral research discussed the integration of quality management policies and practices in higher education institutions.

Since February 2019, she is a researcher in the 'Know-Best project - Partnerships in Knowledge Production, Beliefs, Strategies and Tensions', funded by the Portuguese Ministry for Science, Technology and Higher Education. From June 2018 to October 2019, she was a part-time researcher at the Centre for Higher Education Governance Ghent (CHEGG) piloting studies on the use of the Database for External Quality Assurance Results -DEQAR (a research project funded by the European Commission).

She has published her work in higher education and quality management journals.
